

Where Are My Polyacrylamide Trays?!?!?

Where are my polyacrylamide trays you may ask... Since we discovered that most people use only the agarose trays, we thought it would be environmentally wise to send them only if you need them.

When you're ready to cast your PAG gels, complete the form below and fax it back to us at 1-858-684-3195. We'll send your polyacrylamide trays out pronto!

Remember, we also sell pre-cast PAG gels! Contact us or visit our website at www.embitec.com for a complete list of PAG and Agarose Pre-Cast Gels.
